

NEW RULES, SAME GREAT GAMES

- We have redesigned the experience to allow our guests to maintain social distancing.
- There will be a limit of 4-6 people per lane.
- All patrons **MUST** wear a mask when they are not eating or drinking.
- Every other lane will be used to allow for social distancing.
- There will be no ball sharing between guests.
- Our amazing food and beverage menu will be available with lane service only to limit congestion.
- Arcade games will be moved and spaced out, where possible, to maintain social distancing practices. Some games may be inoperable during this time.
- Center capacity will be monitored closely to ensure an appropriate number of guests are in the center at any one time.

HEALTH & SAFETY STANDARDS

- We are working with professional industrial hygienists to ensure that our centers are clean, sanitized and maintained on a regular basis.
- Balls and shoes are being thoroughly sanitized and guests will be provided with disinfecting wipes and/or spray, as needed.
- Shoes will continue to be sanitized after each use with high-impact disinfectant spray.
- All Arcade Games and Kiosks will be thoroughly cleaned, paying special attention to joysticks, buttons, prize slots and card readers.
- Hand sanitizer will be available for all guests to use
- We will regularly clean and sanitize guest touchpoints and surfaces.
- All staff will wear personal protective equipment (face masks) and adhere to social distancing guidelines. Food handlers will also wear gloves for the entirety of their shift.
